## **WRITTEN WARNING NOTICE**

Employee's Name			Project			Date
		First Notice		Second Notice		Third Notice
Accumulating three written warnings in a 12-month period will result in termination and/or removal from jobsite.						
Receiving a second written warning for the same type or similar violation may result in termination or removal.						
Employees may be suspended for a period of up to 3-days as determined by management for actions that warrant written warnings. Such actions include the list of "CAUSES FOR IMMEDIATE TERMINATION", pages 2-3 of the PROGRESSIVE DISCIPLINARY POLICY.						
Foushée and Associates, Co., Inc. has zero tolerance for violation of fall protection requirements. Violators will be subject to an immediate 3-day suspension with documented retraining required prior to returning to work.
