

Merry Christmas Everyone!

As 2022 draws closer to an end, we would like to take this opportunity to sincerely thank you for your dedication and commitment to Hudson Bay Insulation. Each of you plays a pivotal role in the continued success of this company and for that we are very grateful.

Over the past year you've demonstrated time and again our strengths as a company and made clear that when it comes to Hudson Bay Insulation, the whole is greater than the sum of the parts. This is because we are an ambitious team that sets lofty goals, and we work damn hard to achieve them. It is a very humbling experience to work alongside so many great people like yourselves.

In short, THANK YOU ALL for choosing to work safely every day and THANK YOU ALL for making this an extraordinary organization.

As you sit down with your family and loved ones over the next couple of weeks celebrating the holidays and the fruits of your labor, let it be known that there is one thing all of us can always count on at Hudson Bay – when the load becomes too heavy to bare, there is someone on your right and your left to help shoulder the weight.

Merry Christmas everyone and thank you for being a part of this awesome adventure!

Remember This!

Together we are better! Together we are stronger!
Together we are Hudson Bay Insulation!
